**VILLAGE OF BEISEKER**

<b>Title</b>	<b>ROAD CLOSURE NOTIFICATIONS</b>	<b>POLICY NO: F-19</b>
<b>Legislation Reference</b>	<b>Streets and Traffic Bylaw</b>	
<b>Purpose:</b> To establish a policy that outlines requirements for notification of a road closure		

**Policy Statement and Guidelines:**

Streets and Traffic Bylaw 2020-09 states:

3.6 The Village of Beiseker may, for repairs, maintenance or emergency or any special circumstances, take such measures for the temporary closing of highways or the suspension of parking privileges and place barricades or post appropriate notices on or near the highway concerned as they may consider to be necessary to the circumstances.

This policy requires that Administration and Public Works will provide advance notice to affected Village Residents/Businesses of any road closures unless there road closure is a result of an emergent situation where notification would be unreasonable.

Depending on the time available for the notification, the following tools can be used to provide the information:

- Mail (consider 7 days for mailing)
- Email (when emails for affected landowners are available)
- Facebook
- Newsletter
- Website
- Phone calls (when phone numbers for affected landowners are available)
