

Title	WASTEWATER LAGOON - DUMPING	POLICY NO:	F-39
Legislation Reference			
Purpose To limit dumping in the Village of Beiseker Wastewater Lagoon			

Policy Statement and Guidelines

Unless there is a requirement to dump sewer material from village owned septic tanks or from work performed on Village infrastructure in the wastewater lagoon, no other dumping in the wastewater lagoon will be permitted. This includes any dumping from private vacuum trucks, or dumping from any other source.
