- Monitor waste and recycling disposal to ensure materials are deposited in the designated locations
- Process site transactions, including handling cash payments and operating the point-of-sale system
- Maintain accurate records and logs of waste, recycling, and other materials brought to the site
- Maintain the cleanliness and general upkeep of the transfer site, including litter removal, weed control, and snow removal
- Operate or assist with the operation of equipment, including skid steers and loaders, as required
- Assist Public Works staff with operational tasks and other duties as assigned
- Help maintain a safe, organized, and orderly site for residents, staff, and visitors

Qualifications & Requirements

- Strong work ethic, initiative, and a positive attitude
- Ability to work independently and/or part of a team
- Ability to work with the public
- Practice and encourage safe work behaviour and comply with all safety procedures and policies
- Must be physically able to lift up to 50 lbs and work in all weather conditions
- Valid Class 5 Driver's License is an asset
- Experience operating a skid steer/loader is an asset

How to Apply

Please submit your resume to publicworks@beiseker.com or drop a resume off at the Village Office.

The Village of Beiseker thanks all applicants for their interest. Only those selected for an interview will be contacted. This posting will remain open until a suitable candidate is found.

Beiseker Fire Department – Money Run for the Beiseker Christmas Program

This year, the **Beiseker Fire Department** will once again be spreading holiday cheer by supporting the **Beiseker Christmas Program**, which helps local families in need during the holiday season.

Instead of collecting food items, firefighters will be going **door to door on Saturday, December 5th** — the same day as **Christmas in the Village** — to collect **money donations**.

All funds collected will go toward purchasing **gift cards from local grocery and pharmacy stores** right here in Beiseker. These gift cards will be distributed to families in need so they can buy what they need most this Christmas.

Even a **small donation** makes a big difference!

If you won't be home on December 5th, you can still take part by **dropping off your money donation at the Village Office before December 11th**.

Thank you for helping make Christmas brighter for Beiseker families!

❄ SNOW ANGEL PROGRAM ❄

Are you interested in becoming a *Snow Angel*?

Call the Village Office to leave your name and number, or watch for lawn signs on residents' properties that say **"A Snow Angel is Needed Here."**

Helping out your neighbours is a great way to stay active, have fun, and build a caring community. Let's make this winter a little brighter—one driveway or sidewalk at a time!

❄ Need a Snow Angel? ❄

For residents who need a little help this winter with your driveway or sidewalk, stop by the Village Office to pick up a **"Snow Angel Needed Here"** sign.
Place it in your yard, and hopefully one of our community's Snow Angels will see it and come lend a hand!

Together, we can keep the Beiseker Community Spirit Strong.

Did You Know?

Beiseker Parks & Trails Society has been extremely busy this season!

The Beiseker Community Cemetery saw some love and care this summer with garden maintenance and fresh plants added.

The Small Dog Park within the Dog Park is underway! This park will be for small dogs and their doggy companions. The dog park has new doggie bag dispensers installed. Thanks to Bob Ursu for creating the skunks that decorate them! There are also 2 more solar lights planned here.

Solar lights are also planned for some dark spots on the trail behind the Village office.

We are also working towards our newest project which is the Community Pump Track. Funding opportunities are being explored, and we are looking for corporate sponsors to help us meet this goal.

All projects of BP&TS is funded by donations, grants and sponsors, and finished by our volunteers.

Get involved!! Follow us on Facebook at Beiseker Dog Park!

RCMP - STAY SAFE

Protecting your small business doesn't have to mean high costs. Simple security upgrades can make a big difference in keeping your property safe without straining your budget. Here are some practical, affordable tips to help enhance your business security:

- Add motion-activated lights around entry points and darkened areas of your property to deter potential intruders by drawing attention to them.
- Keep bushes and trees around windows, doors, and other access points trimmed back. Good visibility around your business helps discourage trespassers by eliminating hiding spots.
- Place visible security signs around your business to discourage opportunistic crime. Signs that indicate surveillance or alarms are low-cost and can be placed in visible areas to let people know security is a priority.
- Apply security film to windows to make them more resistant to breakage. This can deter smash and-grab incidents, as the film holds the glass together even if it's cracked, slowing down unauthorized entry.
- Conduct regular security audits to identify potential vulnerabilities around your property. Be sure to check at different times of the day and night, to spot any issues that may only be visible in certain lighting conditions.

RCMP LOOKING TO KEEP ALBERTAN'S SAFE

As the days grow shorter, staying visible and alert as a pedestrian becomes increasingly important for your safety. Here are some safety tips to ensure you're seen when you're out and about.

- Stick to well-lit routes and avoid shortcuts through darkened or isolated areas.
- Stay aware of your surroundings by limiting distractions, such as your mobile devices or headphones.
- Instead of just reflective jackets or vests, consider other accessories like reflective shoelaces, hats, or even backpacks.
- Attach LED light strips to your clothing. They can be set to flash or stay steady, making you much more noticeable to drivers.

Use a small portable whistle or personal safety alarm that emits a sound when activated and can alert drivers to your presence in low-visibility conditions

---

Stay scam-smart this holiday season

As the holidays approach, online scams are on the rise. Be cautious of texts or emails claiming to be from delivery companies asking you to click a link or provide personal information.

Remember:

- Don't click on unexpected links.
- Don't share personal or banking details by text or email.
- Go directly to the company's official website to track a package.
- Take a moment to verify before you buy or reply.

Scammers count on us being busy and distracted this time of year, so don't give them the gift they're looking for.

If you believe you may be a victim of fraud, or are currently being targeted by fraud, please report it to your local law enforcement and to the Canadian Anti-Fraud Centre at www.antifraudcentre-centreantifraude.ca. Anyone who believes their personal and/or financial information has been compromised should also report it to their bank and credit card company

---

It's important for drivers to stay prepared for safe travels on Alberta's icy roads this winter. If you're heading out, here are some essential tips to keep in mind:

- Before you leave the house, plan your route. Check road conditions and weather forecasts and always let someone know your travel plans.
- In winter conditions, it's best to maintain full control of your vehicle, especially on slippery roads, so avoid using cruise control.
- Maintaining a full tank of gas can help prevent your fuel lines from freezing and ensures you have enough fuel in case of delays or emergencies.
- Turn on your headlights in low visibility conditions, even during the day, to increase your visibility to other drivers.
