Alberta RCMP Encourage a Safe Halloween for Trick-or-Treaters

Halloween is an exciting time for trick-or-treaters and families, but it also comes with added safety considerations. The Alberta RCMP are reminding families and motorists to stay alert and take extra precautions on **October 31**.

Tips for trick-or-treaters and families:

- Wear bright or reflective costumes, or add reflective tape to improve visibility.
- Carry a flashlight or glow sticks to help you be seen after dark.
- Travel in groups and stay on sidewalks whenever possible.
- Only visit homes with their exterior lights on.
- Inspect all treats before eating them.

Tips for drivers:

- Slow down and be especially alert in residential areas.
- Watch carefully for children who may cross the street unexpectedly.
- Avoid distractions while driving.

Have a safe and happy Halloween from the Village of Beiseker!

Success in Digital Marketing Series

5-WEEK CHALLENGE

INTRODUCING: CFWR's Success in Digital Marketing Five-Week Challenge

Our Success in Digital Marketing series is a five-week introduction to digital marketing for local small business owners, hosted by Community Futures Wild Rose twice a year in the spring and fall.

Weekly Topics:

1. Digital Marketing 101
2. Creating Your Brand
3. Introduction to Website Design
4. Introduction to Social Media Marketing
5. Email Marketing 101

This biannual series helps small business owners build foundational digital marketing knowledge while allowing them to ask our digital marketing expert their questions. Following each session, participants receive a handout with key information, practical guidance, and additional resources they can use to continue learning.

NEW THIS FALL: THE WEEKLY CHALLENGE

This fall, we are adding a practical challenge to each week of the series. The challenges are designed to encourage participants to put what they learn into action and make meaningful improvements to their businesses' digital marketing.

One participant will be selected as the weekly winner and receive a \$200 gift card to a local business of their choosing. Our goal is to encourage progress, not perfection. Participants will be evaluated based on their completion of the challenge, effort, and meaningful improvements to their digital marketing. Challenges are meant to be achievable but *challenging*.

Weekly Challenges:

- Week One - Optimize Your Google Business Profile
- Week Two - Use our Workbook to Define Your Brand
- Week Three - Plan or Improve Your Website
- Week Four - Create Four On-Brand Social Media Posts
- Week Five - Build Your Email Marketing System

Participants will leave the series not only with new knowledge, but with concrete improvements to their digital presence that they can continue building on. By helping local businesses strengthen how they reach, engage, and serve customers, we are helping them become more competitive and create opportunities for growth.

A Friendly Garbage Reminder

Residents are reminded that **all household garbage placed in grey carts must be securely bagged and tied.**

Please do not place loose garbage, cooking oils, or other liquids directly in your cart. Improperly disposed waste can leak during collection, creating messes on Village streets and requiring additional Public Works time and cleanup costs. A little care when disposing of household waste helps keep our community clean and our garbage collection running smoothly.

Thank you for doing your part to keep Beiseker clean
